# Suavidad y fragancia que consienten

Gracias a sus ingredientes la sensación de Cava es ligera, de rápida absorción y deja en la piel suavidad y fragancia que encantan los sentidos. Es perfecta para un momento de cuidado y cariño.

Es de suma importancia que no solo proporcionemos productos de insuperable calidad, sino que también compartamos los valores de nuestra gente, nuestras familias, nuestros socios comerciales y sus huéspedes es por eso que nos preocupamos por:

Océanos limpios

Futuras generaciones

Aire puro

Nuestros cuerpos

Donde vivimos

Calidad de vida

Otras culturas

Recursos naturales

Jabones en empaque **95%** menos plástico

# Distinción y carácter sustentable

Además de evitar el uso excesivo de plásticos, la presentación de Cava en dispensadores aporta a sus habitaciones distinción que refleja el cuidado por sus huéspedes.
